

OPTIMIST GREEN SPRING 2024

OPTIMIST GREEN SPRING 2024

Prerequisite:

Sailors who have successfully completed the Learn to Sail program, and upon receiving coaches' approval, are cordially invited to join the Green Fleet.

Program Details:

The Green Fleet program serves as an introductory level for aspiring sailors. Upon completing this program, participants will be eligible to progress to the next stage, known as RWB (Red, White, and Blue Fleet).

The Green Fleet program focuses on nurturing young sailors and providing them with foundational sailing and racing skills. Aspiring sailors will embark on a journey of skill development, refining their abilities and gaining valuable experience in sailing.

Throughout the Green Fleet program, participants will be immersed in learning and practicing the fundamentals of sailing racing. Our experienced coaches will guide them through the basics of boat handling, rigging, and trimming, preparing them for the challenges of higher-level sailing.

Upon successful completion of the Green Fleet program, participants will have the opportunity to join the RWB Fleet. The RWB Fleet offers more advanced training and specialized coaching, enabling sailors to further develop their sailing abilities and compete at a higher level.

Expected to compete in TSA events. Sailors must have their own boats.
